Published by M3 Group, the magazine operates as both a monthly print publication and a digital platform, working to inform local women of what's happening in the area, encourage community involvement, provide lifestyle tips and present valuable insights from regional leaders that pave the way for the women of tomorrow. A combination of news, lifestyle trends, art and more, CAWLM has been impacting the lives of women throughout mid-Michigan for over a decade.

The Aitch Foundation

The Aitch Foundation is dedicated to changing lives through the advancement of cancer research, while generating community involvement through sports and fashion-related events. Founded in 2011, through the vision and guidance of Dr. Jim Potchen and others at Michigan State University Health Teams, The Aitch Foundation was established to raise money and awareness for early cancer detection.
